

Lafayette Township Community Garden

Like to get down and dirty, eating fresh veggies at their peak, tired of fending off the critters, then we have a plot for you!

Registration is now being accepted for 6'X10' plots located at the Lafayette Pond on a first come, first serve basis.

Seasonal cost is \$25.00 per plot which includes a lockable gate, fenced area, prepared raised beds and water. Great family project.

Registration forms and guidelines are available on lafayettetwp.org or stop in at the Lafayette Municipal Building for a copy.
