

# Energy Assistance Days 2019 – Get the Help You Need

Energy costs can be a big part of the family budget and can sometimes be a burden. If you could use some help paying your electric bill, be sure to attend one of the upcoming Energy Assistance Days events near you.

JCP&L will be joining NJNG (along with other electric and gas utilities) at their annual Energy Assistance Days events. Representatives from JCP&L as well as Community Action Partnership agencies will be on hand to:

- Determine which energy assistance programs are best for you
- Assist with the application process
- Answer questions about your bill

To apply for assistance, you'll need to bring Social Security cards and proof of income for all household members, your deed or rental lease and a recent electric bill.

For more information about bill assistance programs or to find out if you may qualify, visit [www.firstenergycorp.com/billassist](http://www.firstenergycorp.com/billassist) and click on "Search Assistance Programs."
