Dear Students and Parents of Lafayette Township:

The New Jersey State League of Municipalities and Lafayette Township Committee have an excellent scholarship opportunity for the High School Juniors and Seniors of Lafayette.

We have teamed up to offer three (3) \$1,000.00 scholarships through the *Louis Bay II Future Municipal Leaders Scholarship Competition*. This statewide scholarship competition centers on the theme "What My Municipal Government Does Best" and seeks to advance the virtues of elected and volunteer members of municipal government.

Many of the elected officials, appointed board members, and local volunteers serve Lafayette Township with little or no compensation. It is their altruistic desire to serve the community that compels them to public service. These officials, board members, and volunteers, along with a cadre of dedicated professionals, are guardians of our hometown quality, comforts, safety, and security. They give of their time and talents to help plan our community and preserve our way of life.

This scholarship competition will help to promote pride and community spirit among our township's high school students, while encouraging involvement in the township and municipal leadership.

Full details on the scholarship application process and contest are enclosed. We look forward to seeing the involvement of our young adults representing Lafayette Township in this statewide scholarship competition. We are proud of Christina Smith who was selected as one of the three (3) statewide scholarship winners in 2006. You are invited to contact any of the Township Committee members or attend a Committee meeting scheduled on the first and third Tuesdays of each month.

Sincerely,

LAFAYETTE TOWNSHIP COMMITTEE

WHAT IS THE *NEW JERSEY LEAGUE OF MUNICIPALITIES*?

The New Jersey State League of Municipalities is a voluntary association created to help communities do a better job of self-government through pooling information resources and brainpower. It is authorized by state Statute and for more than 80 years, has been serving local officials throughout the Garden State. All 565 municipalities are members of the League. The 565 mayors and 13,000 elected and appointed officials of member municipalities are entitled to all of the services and privileges of the League.

The League publishes a magazine titled *NEW JERSEY MUNICIPALITIES* which reports up-to-the-minute information on municipal administration and procedures by practical examples, news notes and new laws. It is one of the reading “musts” for municipal officials and is sent to more than 8,500 readers each month.

In addition to the magazine, other League services include: Bureau of Municipal Information; Ordinances and Codes; Research; Legislative Analysis; Legislative Bulletins; New Laws; Contracts, In-Service Training; Personal Consultation; Instructional Seminars and Research Publications. Nearly all League services are available through the League website www.njslom.org.

The highlight of the year’s activities is the Annual League Conference held each November in Atlantic City at the Atlantic City Convention Center. The Conference is an invaluable learning experience which yields benefits throughout the year. Delegates have the opportunity to learn and ask questions at more than 100 panels, clinics, workshops and other sessions conducted by the League and the 21 associations of technical and professional employees allied with it. Commercial, government and association exhibits display the latest products and services for municipal government. At the 2018 Annual League Conference, more than 17,000 delegates, participants and guests attended, representing the largest municipal gathering in the country.
