RESOLUTION 2020-15

**RESOLUTION SUPPORTING NJDOT MOBILITY IMPROVEMENTS
ROUTE 15 – FROM ROUTE 94 TO ROUTE 206/CR 565**

NOW, THEREFORE, BE IT RESOLVED that the Township Committee of the Township of Lafayette, Sussex County, New Jersey, does hereby support the following mobility improvements to be completed by the New Jersey Department of Transportation:

Rt. 15, From Rt 94 to Rt 206/CR 565 Mobility Improvements

New Jersey Department of Transportation (NJDOT) is proposing improvements along Route 15, between Route 94 and Route 206/CR 565. The project improvements take place at the following locations:

Location 1: Entirety of the Project, Rt. 15 from Rt. 94 to Rt. 206/CR 565 (MP 17.00 to 19.53)

Pavement Resurfacing
Upgrade Guiderail to current NJDOT Standards

Location 2: Intersection of Rt. 15 and Morris Farm Road (CR 659)/Meadows Road (MP 17.44)

ADA Ramp/Sidewalk Improvements
NJDOT Pedestrian Signal Pole Relocation
Re-stripe Intersection (potential additional striping to address parking concerns based on township's desires and NJDOT feasibility)

Location 3: Vicinity of United States Post Office Building and Lafayette Mill Antique Center (MP 17.39 to 17.49)

Additional Sidewalk along worn paths (Northbound vicinity of MP 17.39 & Southbound vicinity of MP 17.49)
Additional sidewalk locations based on township desires, DEP regulations and NJDOT feasibility

Location 4: Midblock Crossing at Lafayette Ballpark (MP 17.70)

Advanced pedestrian warning signage and pedestrian actuated flashing warning signs added to improve pedestrian safety
Removal of non-warranted guiderail along Rt. 15 Southbound at ballpark
New guiderail out of clear zone to protect Ballpark dugout cabin and bleachers
Replace existing chain link fence along ballpark

CERTIFICATION

I hereby certify that the foregoing is a true copy of a Resolution adopted by the Lafayette Township Committee at a meeting duly held on January 21, 2020.
