LAFAYETTE TOWNSHIP CANNABIS LICENSE APPLICATION

Requirements pursuant to Lafayette Ordinance Chapter 15:

- Annual local licenses are effective January 1 through December 31 each calendar year. Applications for an annual license are due no later than December 1 to allow the Township Committee to review applications and make a decision to issue an annual license.
- An initial application for a local cannabis license to operate in the Township that is issued shall be valid until December 31 of the year said initial license is granted.
- All local cannabis licenses are non-transferrable and are site specific to the block and lots referenced in the license.
- Applications for a local cannabis license to operate within Lafayette Township are to be submitted to the Lafayette Township Municipal Clerk accompanied by the requisite application fees set forth in Ord. 15-6.
- Any application for a local license must be accompanied by a copy of any license issued by the New Jersey Cannabis Regulatory Commission (CRC).
- Any application for a local license must be accompanied by all applications materials and documents submitted to the CRC for any Class(es) of license obtained from the State Regulatory Commission.
- Any application for a local license must be accompanied by an Affidavit from the Applicant attesting to and accompanied by documentary proof of compliance with all state and local laws regarding affirmative action, anti-discrimination and fair employment practices. The Affidavit must also certify that they will not discriminate based upon race, color, religion, gender, gender expression, age, national origin, disability, marital status, sexual orientation, or military status, in any of its activities or operations.
- Any application for a local license must be accompanied by plans prepared by a duly licensed architect, engineer, or planner as may be requested which shall depict the layout and design for the proposed location of the licensed Cannabis entity. (This requirement

can be waived for entities seeking renewal of their local license is there is no material changes to the layout and design of a previously approved license)

- The application for a local license shall be accompanied by submission of proposed security measures for the location.
- The application for a local license shall include a copy of the deed establishing ownership of the property where the cannabis operations are to be conducted. In the alternative the applicant shall provide a lease agreement or agreement for the sale of the property where these operations are to be conducted.
- Any approved local license shall be prominently displayed along with the license issued by the CRC inside the permitted cannabis establishment.
- All operations of the local cannabis licensee shall be conducted indoors solely within the confines of the licensed location with the exception of loading activities incidental to the operation per Lafayette Ord. 17-7(e).
- All safety and security standards must be in compliance with the approved plans approved by the CRC and must meet the requirements of Lafayette Ord. 15-7(f).
