

Lafayette's
COMMUNITY
CHRISTMAS
Gathering

Saturday, December 5, 2026
4:30-7:30pm at the Lafayette Firehouse

Lafayette Businesses!

The Lafayette Economic Development Committee has organized a Community Christmas Gathering for the town of Lafayette. Our goal is to bring the community together, both businesses and residents for fellowship and fun and we need your for help!

What's going on that day?

Each year, this event was a huge success and well attended! Residents and Businesses, gathered as a community at the firehouse while enjoying great company, Christmas carols, meeting new neighbors and finding out more about our Lafayette businesses. **Thanks to you**, we were able to provide assorted food prepared by our Lafayette eateries. Also, all adults who entered are given a door prize ticket for a chance to win one of the many live Christmas Trees & decorated fresh Wreathes which were all sponsored by Lafayette Businesses. As we did last year, we are kindly asking for monetary donations, any amount, that would offset the costs with the purchases of Christmas Trees & Wreaths. Each tree & wreath have a tag attached thanking those businesses who supported the event.

Santa will appear giving chocolate lollipops as well as the Elves giving goodies out to the kids! All enjoyed the live acoustic Holiday music by Deb D'Anne as well as an extensive display of the Polar Express. Several food stations were spread out between the truck bay and main firehouse for all to enjoy. Businesses may have a small game or craft for the kids or simply promoted what they had to offer the community. As we did last year, we are making available table space throughout the Firehouse House that day to help bring awareness to your business. You may sell items or promote your business to the Lafayette Community that day. We are open to your ideas, thoughts, and input. Have an idea? Let us know!

Count Me In!

Donations & Sponsorship help fund Lafayette's Emergency Services.
Fire Dept. 501c3 Organization # 22-3836373

Sponsoring Business Name: _____
